City of Marquette Heights
Mayor Dale Hamm & City Council
715 Lincoln Road
Marquette Heights, IL 61554

Dear Mayor Hamm & City Council,

Thank you for the opportunity to offer this proposal for a Municipal Solid Waste contract with the City of Marquette Heights. XWaste Disposal is a local family owned business that has a nearly two decade proven relationship within the city of Marquette Heights. We are proud to say that out of the 1,100 homes within the city, XWaste Disposal currently services approximately 765 of those homes. The following is our proposal:

Trash Collection: We will provide weekly trash collection for residential homes at the rate of \$25.00 per month. 96 gallon carts are available upon request at the rate of \$3.50 per month.

Recycling Collection: For anyone interested in our recycling service, collection is offered every other week at the rate of \$8.83 per month.

Bulky Item Pickup: Residents will be offered bulky item pickup with their weekly service. The resident will be required to call and make arrangements with the office before their normal pickup day. The cost (if there is one) for this service is based on the volume of trash that the resident normally sets out on a weekly basis.

City Properties/Festivals: All City owned properties will receive an XWaste commercial dumpster and will be serviced weekly at no cost. City sponsored events and/or festivals will receive free services.

The contracted monthly fee will start at \$25.00 per resident per month for the first year, with a 5% increase **every other year** for the first five years of the contract. Residents will be charged quarterly in advance. If the City takes over the fee collection on their water bill, the City would retain \$1.50 per unit of the monthly fee structure.

We sincerely appreciate the opportunity to offer this proposal for a Municipal Solid Waste contract. If you should have any questions, please feel free to call me!

Sincerely,

A handwritten signature in black ink, appearing to be 'Kurt and Deb McBeath', with a long horizontal flourish extending to the right.
